A Word from the Senior Pastor

The welcome from the Winstanley Church family for my first Sunday was incredibly kind and gracious. Brooke, the boys, and I could not be more appreciative for how the congregation has already shown such support and kindness toward us. We are excited to be here!

Presently, we remain in a transitional state. We look forward to moving into our new home around June 19th at 1001 Shadow Ridge Crossing in O'Fallon. Until then, we will continue to live out of suitcases in various places for a bit longer. The hardest part of the process is that we are not yet able to fully invest in the community until we get settled. We look forward to connecting more with you and reaching out more to the community around us.

The month of June holds much for our fellowship. We look forward to it. Fielding is preparing to take our youth for Super Summer. A number of volunteers are preparing to lead our children in Vacation Bible School (let me encourage you to be actively invite children to come). And I hope you will find each of the unfolding and ongoing preaching/teaching series engaging.

On Sunday mornings, we will be dealing with major developments in 1 & 2 Samuel and how those developments speak into our lives. On Sunday nights, we kick off messages about discipleship with a mindset of Invite, Inspire, Ignite. Finally, on Wednesday nights we will begin to walk through big ideas in the areas of systematic theology.

So the days ahead involve continued transition for my family. The days ahead involve important ministry opportunities for our young people and our church body. And the days ahead involve time for us as the Winstanley family to delve deeper into God's Word and His Truth. I covet your prayer support in the days ahead, and I commit to be praying for you.

For His great fame,

John 3:30 —

Pastor Timothy

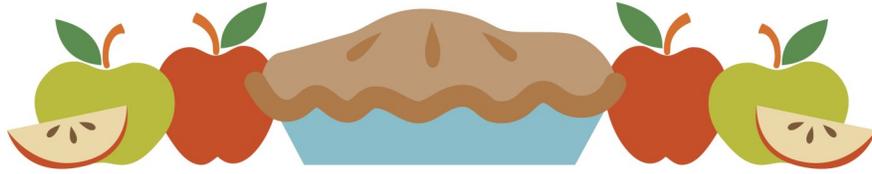

2 Peter 3:18 tells us to "Grow in the grace and knowledge of our Lord and Savior Jesus Christ." This is the theme verse for youth summer camp this year. In less than two weeks our youth will head to Super Summer to be challenged to grow in their faith in Jesus. Please pray that God would transform the lives of our students and leaders through Bible study, worship, and fellowship June 10-14. We often associate summer with relaxation and vacations - well and good. But summer is also an opportunity for growth! By God's grace, may all of us at Winstanley fight against any tendency toward stagnation and earnestly seek maturity in Christ. Thank you for your participation and generosity with the Mother's Day Dessert Auction. We raised about \$548, which goes toward youth camp expenses. There will be another opportunity this month for you to contribute to our student ministry with the Father's Day Dessert Auction.

On a personal note, I would like to thank my church family for the meals, cards, gifts, and words of encouragement in the days and weeks following the birth of our daughter, Ashley Rose. You are loving and gracious, and my family greatly appreciates all you have done for us.

Fielding

Father's Day Dessert Auction

Sunday, June 16th

Please bring your desserts to help our youth with camp.

"The Artist's Daughter", by Alexandra Kuykendall, is a memoir taking you on a journey of discovery through childhood, marriage and motherhood. This is a must read "for every person who has wondered what love, family, and grace really mean, and for those of us who have longed to know that no matter our story, grace is the ending."

"The Aviator's Wife", an exhilarating novel about the story of the life Anne Morrow leads as the wife of Colonel Charles Lindbergh. This will fascinate history buffs and it's hard to quit reading this amazing historical fiction. It's waiting for you in your church library!!
