## A Word from the Pastor

Congregation, my words are few this month, but I have included in this newsletter a broad overview of the remainder of this calendar year. In the future, my goal is to provide in the January newsletter a preview of what is happening in the life of our church between January and July. Then, in the July newsletter, to provide a preview of what is happening in the life of our church between August and December. (Please realize, however, that what you will find listed here is not a complete picture of varying events in the life of our church. Also, I will seek to fine tune and improve this initiative going forward).

It is a joy to partner in the ministries of Christ as a family of believers. And my ongoing prayer is that we at Winstanley would be a church that invites people into the presence of Christ so that they submit their lives to Him as Savior and Lord, identifying with Him through believer's baptism and growing as disciples who are ignited to share Jesus's love with others (Matthew 28:19-20). *Inviting to, Identifying with, Ignited for Jesus Christ!*

I am excited what the future holds here at Winstanley. Together, we can do great things for our Lord and Savior.

For His great fame,

John 3:30 —

Pastor Timothy

How are you serving at Winstanley? During this time of year, I'm especially reminded of those who use their gifts to faithfully serve Winstanley in one ministry or another. As a member of the nominating committee, I have been part of the effort to ensure leadership in the many ministries of our church. Many of you have volunteered as committee members and chairpersons and in other capacities for several years. Thank you for your faithful service to the Lord and for making our task as a nominating committee easier.

I would like to thank Nancy Idoux for all of her hard work as the chair of the nominating committee again this year. She truly has a passion for seeing the members of our church use their gifts to serve the Lord. If you would like to get involved in a committee or ministry of Winstanley please contact Nancy or myself, and we will point you in the right direction.

I know it's hard to believe, but our children and students are already about to go Back to School! Please be praying for them as they make the transition into another school year. Pray that they would be bold and loving witnesses for Jesus, and that they'd be faithful in their studies. Lastly, it is not too late to decide to come to Trivia Night on Saturday, August 3. Half of the proceeds will go to our student ministry.

Fielding

Mission Spotlight: Our July mission emphasis is coming to a close. Thank you for giving \$1,749.00 to Cross of Christ Fellowship in Naperville, Illinois. As God brings this new church to mind, please continue to pray it will become self-sustaining. Pray God will establish this church and that it will someday be able to start another church.
